REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Buist Academy's twentieth year began on exactly the same day as it did in 1985: September 22nd. The anniversary was celebrated with a ribbon cutting by the Mayor and students to symbolize our continuing quest for excellence.

In August the school was informed that Part A of our Primary Years Program (PYP) application for the International Baccalaureate Program had been accepted. An IB consultant, Mrs. Linda Smith, was assigned to us to help refine our Program of Inquiry. Mrs. Smith visited with us in November, March, and June. She worked with teams of teachers both on grade level and across grade levels to ensure smooth transitions. Our thirty-six Units of Inquiry for Kindergarten through fifth grade are currently posted in the hallway for parents and visitors to review. Part B of our application was submitted on May 25, 2006. The final decision, based on the authorization visit in the fall, will be made by the International Baccalaureate Organization during the bi-annual meeting in Geneva, Switzerland, in the winter of 2007. Development of the Middle Years Program for grades six through eight began in earnest in the fall.

Buist received the Palmetto Gold Award for continuing progress in meeting the state standards set for 2010. The school was also recognized by the South Carolina Oversight Committee for helping to close the achievement gap of historically underachieving students. For AYP, we met thirteen out of our thirteen performance objectives. Thirty-one of our forty-nine eighth-grade students qualified as South Carolina Junior Scholars based on their PSAT scores. Six seventh-grade students were recognized by the Duke TIP (Talent Identification Program) as state winners, and one student received national recognition. In the National French Exam, ten of the seventh-grade students ranked in the top ten at the national level. Twelve eighth-grade students placed in the top ten positions. In the National Spanish Exam, nine seventh-grade students placed in the top ten in the state. Seven eighth graders placed in the top ten in the state.

Philanthropic endeavors included BETA Club members organizing a school-wide drive to provide hundreds of individual packets of school supplies and letters of encouragement to the students displaced by Hurricane Katrina. They also directed our third annual mega food drive to benefit Crisis Ministries. Sixth graders sold Popsicles for PACT, and the monies earned were sent to India to provide supplies for a small rural school. Our younger students initiated a project resulting in over two thousand children's books being sent to needy schools in Jamaica. First-grade students raised over eight hundred dollars to provide insulation for a new home built by Habitat for Humanity.

Parents supported our school through participation in Parent Teacher Association, the Buist Foundation, and the School Improvement Council. PTA had a successful fall fundraiser, which provided additional supplies for each classroom. The Foundation held their first evening auction. Monies raised went to improve the facility. SIC worked diligently on our diversity campaign. The Council also worked on finding additional parking for the faculty and initiated a study to solve air quality problems in the building.
